

NOVATECH DOORS INC. guarantees each of its fiberglass doors, when used for residential purposes, against any deficiencies in manufacturing, material or labor, and guarantees that it will not dent, warp or crack during the warranty period, as long as the original purchaser still owns the property where the Novatech fiberglass door was installed.

Models N1200 and N1400: LIMITED LIFETIME WARRANTY

This warranty does not cover costs for labor, transportation, finishing or any other work that must be carried out on the site to replace a door.

Any Novatech fiberglass door must be painted or stained within six (6) months of its installation for the door to be covered by this warranty.

In no case will Novatech be held responsible for damage or accidental injury, indirectly caused by the door, to a building, to personal property or to a person, over and above the value of the initial cost of the door.

LIMITATIONS:

1. This warranty is offered to customers of **NOVATECH DOORS INC.** only, that is, to pre-assembly manufacturers, and not directly to the retailer or the consumer.
2. This warranty excludes any materials and manufacture that may be provided or installed by, and that are covered by a warranty from, another manufacturer, distributor, installer, retailer, contractor, etc.
3. Any damage caused as a result of careless handling or abusive use, poor installation, lack of maintenance, application of an unsuitable or inadequate finish, vandalism or an explosion is not covered by this warranty.
4. Doors waiting to be installed must be stored in a dry, clean, well-ventilated location so as to avoid exposure to high humidity or excessive heat and in order to be covered by this warranty.
5. Any damage caused by exposure of the surfaces of the door to chemical products, air pollutants, toxic fumes or acid rain is not covered by this warranty.
6. Any damage caused by air or water infiltration as a result of extreme weather conditions is not covered by this warranty.
7. Warping of less than 1/4", sagging or any other major permanent distortion that does not exceed the criteria in standards CAN/CGSB-82.5-M88 and AAMA/CSA/101/1.S.2/A440-05 will be considered as being acceptable.
8. Any modification to, or installation of, hardware, locks, doorlites or any other component must not cause any water infiltration or other damage to the door, nor alter the initial properties of the door. Any damage occurring as a result of a modification, drilling a hole, the installation of hardware or a doorlite, staining, painting or other components is not covered by this warranty.
9. Any damage caused by exposure to excessive heat (e.g., a door installed behind an unventilated storm door and exposed to the sun, a fire, etc.) is not covered by this warranty.
10. Any defect caused by movement of, or a deficiency in, the structure or the foundation of a building on which the door is installed is not covered by this warranty.
11. This warranty cannot be amended and is not transferable.
12. Novatech may require one of its representatives to inspect a defective door in order to determine whether this warranty is applicable in whole or in part.

**Any claim must be reported within the warranty period, within 15 days of the date on which the defect was found, in writing, and accompanied by the original purchase invoice and the address at which the door is installed, to:
NOVATECH DOORS INC., 160, rue Murano, Ste-Julie, Québec, Canada, J3E 1Y2, to the attention of the Customer Service Department.**
